

Wanted

Would you like to join the Monifieth Patient Advisory Group?

- The role of the MPAG member is to represent the Patient Population in assisting the improvement of the Practice, but **will not** deal with complaints or own personal issues. These should be directed to the Practice Manager at the Medical Practise.
- The group is open to patients of the Practice aged 16 years and above.
- We should meet every 4 months, but if the Practice requires some in-puT or help from the group an extra meeting will be required.
- Meetings may be held over a lunchtime period or in the early evening, this would depend on the commitments of the group members and the Practice. They are held at the Practice and take between 1-2 hours, depending on the Agenda.
- We are at present a small group but, if you think you would like to help the Practice, Community and yourselves as Patients we would be delighted to see you.

If you would like some more information, please leave you name, address and telephone number at the Reception desk at the Health Centre, or telephone; **Mr Eric Blyth, Practice Manager, Monifieth Health Centre, on 01382 534301 after 2pm.**

Thank you
